AFFIDAVIT

I, Joel D. Brillhart, being first duly sworn, depose and state:

I am a Special Agent (SA) of the Federal Bureau of Investigation (FBI) and have been so employed since January 5, 1987. I am currently assigned to the Portland Division of the FBI where I investigate computer crimes. I have received extensive training in the investigation of computer, telecommunications, and other technology crimes. Since September, 2002, I have been involved in the investigation of matters involving the sexual exploitation of children, to include the online sexual exploitation of children, particularly as it relates to violations of Title 18, United States Code, § 2422(b). I have made arrests and conducted searches pertaining to these types of investigations. I am a part of the Portland Innocent Images National Initiative (IINI) Undercover Operation Task Force, which includes other FBI Service Special Agents and a Detective from the Hillsboro Police Department. IINI is an intelligence-driven, proactive, multi-agency investigative initiative to combat the proliferation of child pornography/child sexual exploitation facilitated by an online computer. As a member of this Task Force, I have received training and certification at the FBI Calverton Resident Agency in areas related to online computer crime investigation involving child pornography and other aspects of child exploitation.

The statements contained in this Affidavit are based on my experience and background as a Special Agent, and on information provided by other agents of the FBI, and other law enforcement officers. I have not set forth every fact resulting from the investigation, rather, I have set for a summary of the investigation to date in order to establish probable cause to charge Timothy Thayne (Thayne) a/k/a Yahoo! screen name "fdsgi7" with using a means of interstate

commerce to attempt or persuade, induce, entice or coerce a minor to engage in sexual activity in violation of Title 18, United States Code, Section 2422(b).

Oregon Revised Statute 163.355 provides that a person who has sexual intercourse with another person commits the crime of rape in the third degree if the other person is under 16 years of age. Rape in the third degree is a Class C felony. Oregon Revised Statute 163.305 definition of "sexual intercourse" states "has its ordinary meaning and occurs upon any penetration, however slight; emission is not required."

Oregon Revised Statute 163.385 provides that a person who engages in deviate sexual intercourse with another person or causes another to engage in deviate sexual intercourse commits the crime of sodomy in the second degree if the other person is under 16 years of age. Sodomy in the second degree is a Class C felony. Oregon Revised Statute 163.305 definition of "Deviate Sexual Intercourse" means sexual conduct between persons consisting of contact between the sex organs of one person and the mouth or anus of another.

Oregon Revised Statute 163.415 provides that a person commits the crime of sexual abuse in the third degree if the person subjects another person to sexual contact and the victim does not consent to the sexual contact; or the victim is incapable of consent by reason of being under 18 years of age. Sex abuse in the third degree is a Class A misdemeanor. Oregon Revised Statute 163.305 definition of "Sexual Contact" means any touching of the sexual or other intimate parts of a person or causing such persons to touch the sexual or other intimate parts of the actor for the purpose of arousing or gratifying the sexual desire of either party.

Oregon Revised Statute 161.405 provides that a person is guilty of an attempt to commit a crime when the person intentionally engages in conduct which constitutes a substantial

step toward commission of the crime. An attempt is a Class A misdemeanor if the offense attempted is a Class C felony. An attempt is a Class B misdemeanor if the offense attempted is a Class A misdemeanor.

For the reasons set forth below, your affiant contends that this affidavit contains probable cause to believe that THAYNE has used a means of interstate commerce, namely the Internet, to attempt to or knowingly persuade, induce, entice or coerce an individual who has not attained the age of 18 years to engage in sexual activity for which any person can be charged with a criminal offense. In this case, the applicable sexual activity your affiant believes THAYNE proposed to carry out with an individual who he believed to be a 14 year old minor female, included, but is not limited to, digital penetration, oral sex, and vaginal intercourse.

YAHOO! CHAT

Yahoo!, is a commercial Internet Service Provider (ISP) that offers subscribers access to electronic bulletin boards which can be read and responded to by other subscribers, known as "chat." "Chat" is real-time type-written conversation between people, much like a verbal conversation. Yahoo! also provides electronic mail (E-mail) service, enabling subscribers to communicate by computer similar to writing letters and sending through normal mail. Each subscriber can communicate with other Yahoo! users either in real-time through either chat rooms, private chat rooms or instant messages, if the other subscriber is also online, or via E-mail. Within the system, text messages and graphic images (such as photographs) can be sent to a subscriber, or to any person with an Internet E-mail address. Both text and graphics files can be saved to the computer disk drive for access and printing at any time.

OVERVIEW OF INVESTIGATION

The information provided in this affidavit is the summation of an investigation conducted by affiant, acting in an undercover capacity (UCA) on the Yahoo! system, and using a computer in Portland, Oregon. All communications via computer made during this investigation were with an individual identified as TIMOTHY THAYNE (THAYNE) using the Yahoo! screen name "Fdsgi7." All conversations between the UCA and "Fdsgi7" were by contact through instant messages and E-mail messages on Yahoo!. These conversations took place during the period of July 11, 2005 through August 30, 2005.

On July 11, 2005, at approximately 8:06am, affiant was logged on Yahoo! posing as a 14-year old female, from Portland, Oregon. While she was logged on and had entered a chat room entitled "Oregon1," the screen name Fdsgi7 contacted her using an instant message. It should be noted that Yahoo! archiving cut off the first line of the chat showing Fdsgi7 contacting affiant. The following is a verbatim transcript of the instant message conversation:

Information obtained pursuant to an Administrative Subpoena served at Yahoo!, indicated that the Yahoo! login screen name of "Fdsgi7" is an active account. The records list an alternate Email address of tim.thayne@adidasus.com. The registration for this Yahoo! user name, and all subsequent account accesses from June 29, 2005 through July 19, 2005, were from IP address 209.63.106.121. A domain name search of IP address 209.63.106.121 revealed that the IP address was assigned to Adidas America, 5055 North Greeley Avenue, Portland, Oregon

Affiant has viewed records provided by the Oregon Department of Motor Vehicles, which show that Timothy Thayne, date of birth of January 17, 1959, was issued Oregon Drivers License number 9272003 on December 16, 2004, and resides at 17758 NW Solano Court, Portland, Oregon 97229. Vehicles registered to Thayne include a 1993 Mercury Sable, Oregon license VPD213, 2004 Chevy Tahoe, Oregon license YAA609, 2005 Nissan Murano, Oregon license 071BUF and a 2002 Fleetwood Terry mobile home trailer.

On August 30, 2005, at 12:00 noon, Thayne was observed in the drivers seat of a 2005 maroon, Nissan Murano, Oregon License 071BUF. The vehicle was parked in the East parking lot of the Sears at Lloyd Center. Affiant and other agents waited for three Max trains to go by and at 12:20PM, Thayne was placed under arrest. When arrested and confronted, Thayne stated it was all a coincidence, that he was there to smoke pot, which he did have on his possession, but

had not lit up. He said he was waiting for it to be clear. His wedding ring was found in his pants coin pocket by affiant. Thayne quickly put his wedding ring on after it was discovered. Affiant has viewed a Oregon Department of Motor Vehicles photograph of Timothy Thayne and found it to be the same individual who was arrested.

Based upon the above information and your affiant's experience, your affiant respectfully submits that there is probable cause to believe that Timothy THAYNE has committed a violation of Title 18, United States Code, Section 2422(b), in that he has used a facility of interstate commerce to attempt to or to knowingly persuade, induce, entice or coerce an individual who has not attained the age of 18 years to engage in sexual activity for which any person can be charged with a criminal offense.

This affidavit has been reviewed and approved for presentation by Assistant United States Attorney Gregory Nyhus.
